

Family medicine career opportunities

The [Toronto Metropolitan University School of Medicine](#) is looking for family physicians from the Brampton/Peel region to fill a variety of roles within our undergraduate and postgraduate education programs, which will begin in 2025. The generalist perspectives and skills of family physicians like you are key competencies needed to train the medical students and residents who will become your future practice partners.

Help shape the next generation of family physicians by applying for one of the opportunities listed on the [TMU SoM Careers website](#), or for one of the following roles within the **Undergraduate Medical Education (UGME) Program**.

Curriculum Phase	Opportunity	Description	Start Date
Phase One	Case-Based Learning (CBL) Developer	Join a small team of CBL developers to collaboratively create approximately 100 case-based learning modules for the UGME Curriculum.	Immediately, in preparation for TMU SoM opening in Fall 2025
	Small-Group Facilitator	Become a facilitator for small groups of 6-8 medical students in courses such as Principles of Medicine, Person-Centred Care, Community and Global Health, and Personal & Professional Development.	September 2025
	Primary Care Longitudinal Experience	On a ½ day per week basis, provide medical students exposure to clinical settings so that they may gain a level of comfort in a health-care setting, as well as an understanding of professional roles and interprofessional collaboration.	January 2026
Phase Two	Longitudinal Integrated Clerkship	Be a preceptor during the Longitudinal Integrated Clerkship (LIC) experience, where you will have a medical student join you at your clinic for 2½ days per week. You can precept up to 2 medical students at a time.	April 2027
	Electives	Be a preceptor to medical students during clinical elective and selective experiences that are 2–4 weeks in duration.	April 2027
Phase Three	Electives & Selectives	Be a preceptor to medical students during clinical elective and selective experiences that are 2-4 weeks in duration.	September 2028

Please indicate your interest by completing the [Clinical Faculty Registry Form](#), or by emailing medicine@torontomu.ca.
