## Help Keep Seniors Safe Join The Grand Parade!

Saturday, September 19, 2026 | Flower City Lawn Bowling Building

Walk on the sidewalks around Flower City

We are inviting community groups and their members to participate in The Grand Parade – a friendly, family-style fundraising walk.

### What we're asking from your group:

- Appoint a Team Leader to organize your team
- Encourage members and friends to join the walk and raise sponsorships

We are also looking for up to **50 volunteers** on event day!

Small teams are welcome – every step and every dollar counts!

This family-friendly walking event raises funds to replace dangerous bathtubs with safe, walk-in showers for our seniors at Grace Court. Falls in bathtubs are a major risk for older adults, so this project helps them stay safe, maintain their dignity, and live independently in their homes.
